

Your First Visit:

For Cash Patient:

Patient Registration:

Please come 10 minutes early to create your file at your First Visit. Bring your old medical reports (not less than 6 months old) if available. Give us call for an appointment and start the treatment.

For Insurance Patient:

Step 1: Call your insurance provider for details on your specific policy coverage.

Step 2: Confirm that you have Physiotherapy coverage.

Step 3: Consult General Practitioner (GP) or orthopedic or neurologist etc. for referral for Physiotherapy treatment.

Step 4: Once you done with any doctor's consultation, send us the scanned copy of referral letter where we will send for approval from the insurance company.

Step 5: Once the insurance company approved we will inform you regarding the date of appointment with us.

Note: Before Starting with us; please make sure you bring or mail us all your medical reports.

Missed appointment and cancellation:

Please call or whatsapp us before any appointment cancellation.
